PRESENTER:
DR. TISA SILVER CANADY

Please join us to engage in a discussion about the Limited PSLF Waiver, a temporary overhaul of the Public Service Loan Forgiveness (PSLF) Program, which has expanded eligibility to federal student loan borrowers who were previously denied access to loan forgiveness through the PSLF Program.

If you have federal student loans and work in the public or non-profit sectors, the Limited PSLF Waiver may help you get your loans forgiven more quickly.

Dr. Tisa Silver Canady is a collegiate financial wellness expert and advocate who has personally advised students and families on the repayment of more than \$75 million. She is the founder and director of the Maryland Center for Collegiate Financial Wellness.

This Webinar will provide tools to:

- Evaluate your eligibility for PSLF
- Determine next steps to maximize benefits during the limited waiver period—set to expire on October 31, 2022
- Submit an error-free PSLF Application
